Dear Louise.

Well it is now 9:30 and I am just beginning my letter, what time will it be when I finish?

I don't believe anything startling has happened since Sunday evening only I have been just about sick with my cold.

Al Smith is giving a speech now and it is rotten because he is saying Hoover terribly. He just said the the Republican Candidate only used a conglomeration of words and he conveyed words to give his speeches or something like that. Enough to say that Hoover didn't know how to speak.

I put two letters in our mailbox this morning and I found a bag of Candy in the box for Edith. Tonight when I came home Cara showed me the Lolly-Pop that was in it. It had Al Smith written on it. What will they have next to advertise their names.
